Confidentiality / Non-Disclosure Agreement

I/We, as potential acquisition candidates ("the Buyer") of all business opportunities ("the Business" or "the Seller") presented by George & Company ("the Broker") as exclusive agent or sub-agent, desire sufficient information to complete a confidential evaluation of the Business. In consideration thereof, I/We and our agents, agree to keep confidential all information hitherto provided by George & Company, and/or provided by the Business, its agents, employees, customers, vendors, etc.

1. Information includes all verbal and written data, reports, records, or materials obtained from the Seller's agent or the Business, including but not limited to the Business name, location, and the knowledge that the Business is for sale unless this information is in the public domain.
2. Information is being furnished solely in connection with the Buyer's consideration of the potential acquisition of the Business, and shall be treated as "secret," and "confidential." No portion of said information shall be disclosed to others, except the Buyer's financial or legal advisors, whose knowledge of the information is required for the Buyer to evaluate the Business, and who shall assume the same obligations and terms of the agreement as set forth herein.
3. The Buyer agrees not to make any contact with the owner, employees, vendors, landlord, or customers of the Business without the express permission of the Broker. The Buyer further acknowledges and understands that the Broker is acting as the agent of the Seller and that the Broker's responsibility is to represent the interests of the Seller. The Buyer shall conduct all negotiations through the Broker and present all offers for the business through the Broker. The Buyer agrees not to take any actions that could interfere with, circumvent or hinder the collection of the Broker's fee in connection with a transaction. Breach of this clause may make you liable for our fee.
4. The Buyer agrees not to use any such information for his or her own account in any way that would compete directly with or cause damage to the business. The Buyer acknowledges and understands that the Business is the intended party and beneficiary whose rights are being protected. It is further understood that the Business may enforce the terms of this agreement as if it were a party to this agreement including such actions in a court of law to prevent any threatened breach of this agreement. In the event no transaction is effected between the parties to this agreement, all information (including all copies) shall be returned to the Seller's agent (the Broker) or certified destroyed within 30 days of the execution of this agreement.
5. It is understood that no representations or warranties, express or implied, are being made by the Broker as to the accuracy or completeness of any information provided regarding the Business. Furthermore, that any and all representations and warranties are made solely by the Business, which shall be set forth in a signed acquisition or purchase agreement that shall then be subject to the conditional provisions thereof. Accordingly, the undersigned acknowledges the responsibility to perform a "due diligence review" of financial books, records and other assets at his or her own expense prior to any acquisition of a business.
6. As a condition to entering this agreement, the undersigned attests to and agrees to provide substantiation of financial ability and preparedness to consummate an acquisition, merger, or purchase of a business, and to provide information on the attached Confidential Buyer Registration Form. All information provided to George & Company will be treated confidentially and only disclosed to our client. Any other disclosure will require your express permission.
7. The execution of this agreement shall allow George and Company to release confidential information to the Buyer pertaining to its client (the Business): Listing # or name_____.
