Worcester, MA 01603

I am writing to you to thank you for the wonderful job you did selling my business. Ed Roach was a true professional through the complete process. Ed researched what we did as a company and marketed the business in a way that drew a quick response. Ed also protected vital company information until he had a firm commitment for the purchaser. Ed guided us with the whole process until the sale was complete.

Yours Truly,

Don Peloquin
