To Whom It May Concern:

I wanted to thank you for all your hard work selling our business.

George & Company came highly recommended to sell our specialized business and did not disappoint.

Phil Dotten and Chip Emerson took the time to learn about our business. They proved to be very knowledgeable and patient throughout the process – and available.

The entire experience was complicated, yet they were able to clearly explain the nuances and effects to a layperson.

Their creative ideas and connections are what ultimately attracted the right buyer. I felt they were always working for the seller's best interests and highly recommend them to others.

Thank you Phil & Chip and I wish you many more successes in the future.
